OPPORTUNITY SCHOLARSHIPS

The responsibility of parents to raise their children to love the Lord and walk in His truth is the calling of every parent. We believe Christian education is vital in this pursuit. To that end, we want to help make CCA affordable for parents.

Our CCA Scholarship program awards scholarships based on the financial needs of our student body. Because the half-day Hybrid and Flex programs allow families to customize their CCA experience to meet their schedule and financial needs, Opportunity Scholarships are reserved for families with full-time students in our Hybrid Program.

Our scholarships are funded by donations and by a percentage of our operating budget. As such, available funds may vary from year-to-year.

How to Apply:

1. Complete enrollment for a full-time Hybrid student. If you apply for an Opportunity Scholarship and the amount received is not enough, you can end your enrollment at CCA and your Financial Agreement will be voided.
2. Determine that you meet the eligibility requirements:
 - Have students new or returning enrolled in K-12th grade at CCA. (Enrollment must be complete.)
 - Demonstrate a financial need and provide a copy of 2 years of tax returns.
 - The family is current with all money owed to CCA.
 - Returning families must provide a copy of Jupiter comments for all students in the family.
3. Visit <https://www.discovercca.org/scholarships-tuition-assistance> . There is a button at the end of the page that takes you to our application form. The **deadline to apply is the 5th of each month** at midnight.

What happens next?

Applications are reviewed by the Scholarship Committee. The names will be removed from applications to share with the Committee. The Committee will review all applications, vote and prepare its recommendations to the Board of Directors for approval. Families will be notified of awarded scholarships as soon as the Board makes its final decision. This will be handled by the school Principal or her designee.
